

PROJECT MANAGER MASTERMIND WORKSHOP

Do your project managers face challenges and have questions?

What will it cost your organization, in time and money, if they don't find effective answers?

How much is it worth for them to be learning and growing with a like-minded group of project managers?

*There is no steady state
in project management.
You are either getting
better or getting worse!*

The Project Manager Mastermind Workshop

HOW DOES IT WORK?

- **13-WEEK WORKSHOPS BY VIDEO CALLS – LOCATION INDEPENDENT.**
- **SMALL GROUPS OF REAL-WORLD PROJECT MANAGERS FACILITATED BY AN EXPERT IN PROJECT MANAGEMENT.**
- **FOCUSED ON THEIR NEEDS, THEIR CHALLENGES, AND FINDING THEIR SOLUTIONS.**
- **CROSS-POLLINATION FROM OUTSIDE INDUSTRIES AND PROJECT TYPES.**
- **INDIVIDUALS CAN JOIN (IN WHICH CASE 1 PER COMPANY PER GROUP) OR YOU CAN HAVE A DEDICATED GROUP OF YOUR OWN PROJECT MANAGERS.**
- **90-MINUTE SESSIONS – ATTENDANCE FOR VERIFICATION OF CONTACT HOURS.**

Project managers working together to learn how to better solve project problems. Across industries and project types. With expert facilitation and guidance.

Your organization benefits with better project results and incorporation of best practices.

PMs grow from this process and, as an extra benefit, have contact hours that they can apply to certification continuing education requirements (e.g. PMP).

Benefits

Mark D. Steele, PE
msteele@quintainprojectsolutions.com

I combine decades of hands-on project experience, thorough analytical processes, and a deep understanding of project risk patterns to help clients avoid or manage critical (and sometimes unseen) threats to their project portfolio.
